Dear Mr. Overbeek,

In the fax we send to you last week we enclosed all the relevant questions and answers that were asked up to and including Friday 1 September. There are however some Registered Parties who would like to have some further explanation on the following three issues:

1. Experience of the Dutch passenger transport market.
2. Change of consortium.
3. Letter of comfort.

In the enclosed document we have explained these issues in more detail.

Kind regards,

Roel Testroote
