Dear Mrs. Verhulst

We are sorry not to have received your application for the transport services over HSL-Zuid. We are however still looking forward to co-operate with GVB in this project, as GVB can provide transport in and around one of the most important HSL-Zuid cities.

We would very much like to thank you for your co-operation in the past year during the preparations of this tender and wish you success with your business. The qualified consortia will be announced in the last week of October.

Yours sincerely,
